EMPLOYMENT HISTORY

Front-End Developer: Service Delivery Expert.....Jan 2019 – Present
Novartis Prague, Czech Republic

- ❖ Collaborating in IoT, Blockchain and AI projects for the Applied Tech Innovation team
- ❖ Completing requirements gathering and user stories.
- ❖ Designing wireframes and mockup design for user interfaces.
- ❖ Developing react and angular based front-end application demonstrations and proof of concepts for clinical supply chain, electronic product information, beyond the mobile smart injections and AE Brain projects.
- ❖ Working closely with other developers, UX designers, and business and system analysts from small groups of 3 developers to larger working groups of twenty to thirty workers across the global in India, Europe, and USA.

Junior Developer.....July 2018 – Nov 2018
Flexbox Startup Prague, Czech Republic

- ❖ Coded in react codebase and fixed bugs from existing applications.
- ❖ Aided the Lead Manager in design-related tasks for an e-commerce application.

Associate Regional Campaign Manager.....May 2016 – Sep 2016
American Heart Association Austin, Texas

- ❖ Collaborated closely with the ANCHOR Regional Campaign Manager to support grant reporting on the community action plan (CAP) report and complied with the Center for Disease and Control (CDC) federal standards.

- ❖ Advocated AHA approved policies dedicated to reducing the sugar and sodium requirements in vending machines.
- ❖ Partnered with 10 organizations in the Austin area including community centers, grade schools, office buildings, and hospitals to adopt healthier policies on cafeteria and vending machines nutrition requirements.

Special Projects, Lobbyist.....Mar 2010 – Dec 2013
Louisiana Municipal Association Baton Rouge, Louisiana

- ❖ Successfully engaged in advocacy and policy in grant funding for municipalities and disaster recovery relief aid with a focus on negotiating for local municipal rights.
- ❖ Collaborated with GOHSEP, OCD-DRU, and municipal governments on the Municipal Infrastructure Grant Program, a \$30 million dollar grant program directly awarded to municipalities for hurricane damages and did the public outreach, communicating the grant requirements to all municipalities in the states across 10 districts.
- ❖ Presented programs and services to municipalities across the state while relationship-building with key non-profit, businesses, state and federal stakeholders.
